Claim 13 has been amended to correct a minor typographical error that was discovered after receiving the above-referenced Notice of Allowance and reviewing the claims with respect to that Notice of Allowance. Specifically, the word "that" has been added to the phrase "said runs having a cross-sectional shape such that flow spaces exist between said runs." Applicants note that the amendment has no effect on the scope of the claim and is consistent with similar phrases used in independent claims 1 and 20.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
